Tempe Tomorrow - General Plan 2050 Community Working Group

Tempe Tomorrow - General Plan 2050 Community Working Group includes residents and business owners from different geographic areas of Tempe who embody diverse skills and backgrounds representing the larger community. This group guides and advises staff, and provides input during the development of the General Plan (GP 2050). Community Working Group (CWG) member responsibilities include:

- Attendance and active participation at monthly CWG meetings scheduled from August 2022 through May 2023.
- Attendance at two public hearings for the GP 2050 before the Development Review Commission.
- Attendance at a broader community meeting – Date to be determined.
- Communication with friends, neighbors, and co-workers to understand and gather community concerns and aspirations and share that feedback as they relate to the various elements of the GP 2050.

The Chair of the CWG has the following additional responsibilities:

- Review the agenda and materials prior to distribution.
- Call the meeting to order, call for approval of minutes, and assist in the management of order during the meeting so that agenda items can be completed on time.
- Ensure that all the members of the CWG have the opportunity and encouragement to participate in open discussion.
- Attend the City Council Hearings (2) for the approval of the GP 2050.

The terms expire December 31, 2023 when the CWG sunsets.
