- 1) **Kim Bauman** announced that none of the schools met their target recruitment numbers at any of the schools except Compadre despite strong recruitment efforts. MYAC members reported that school announcements were made and they distributed applications to students in their schools. However, many students they approached were either not interested in participating in the event, could not miss a full day of school, or forgot to turn in their applications. Applications will be accepted through the end of this week. We may also receive a few applications through the teen programs at the community centers and Tempe Youth Leadership.
- 2) MYAC members spent the duration of the meeting pairing students with city career shadowing positions. MYAC members will shadow positions not filled by other students. Those positions will be assigned at the next meeting.
