I. New Business

- a) A Funding Agreement between the event promoter and the Sponsorship Review Committee will be drafted and finalized at a future meeting.
- b) There was discussion regarding how to treat applications that were submitted after the deadline date and applications that were submitted incomplete. It was agreed upon that late applications would be reviewed after all other applications and if funds were still available the application would be considered. Three applications that were late were Pat's Run, TTL Regattas and Pancreatic Research Walk.
